On November 14, 1958, [redacted] the
Pierce and Kilburn Shipyard, Inc. of New Bedford, Massachusetts,

some anti-semitic literature in his mail. He resides at
[redacted] South Dartmouth, Mass. He did not know and
did not have any idea who sent the literature to him.

In one envelope addressed to [redacted], New Bedford,

to Freedom" published by the Christian Educational Association,
Union, N.J. and in the other envelope were copies of "Common
Sense" alleged to be the Nation's anti-communist newspaper,
published in Union, New Jersey. In this envelope there was one
copy of the August 1, 1958 issue and two copies of the Sept. 1,
1958 issue. It is noted that both envelopes came from P.O.
Box 807, Union, New Jersey.

It is also noted that the list of publications received by the
Central Research Desk at the Bureau dated May 28, 1958 mentions
on Page 5 the "Common Sense" published at 530 Chestnut Street,
Union, N.J.

These publications are being forwarded to your office because

**BOMBINGS AND ATTEMPTED BOMBINGS
RACIAL MATTERS**

Re Newark letter to Bureau dated 11/3/58 and
Bureau airtels to Albany dated 11/17 and 11/20/58.

As previously indicated in Newark airtels of
10/20 and 11/5/58, captioned [REDACTED]

b2
b7D

[REDACTED] Newark
has active investigations concerning the US Klans, Knights
of the Klu Klux Klan, Inc. (New Jersey) (Bureau file
100-7801) and the Christian Educational Association of
Union, New Jersey (CEA) (Bureau file 105-9621). Efforts
are being made to extend our informant coverage in these
organizations and the results of our investigations in
these matters are being reported under the specific case
captions.

The investigation of these "hate" groups in New
Jersey, during the past thirty days, has not disclosed any
information indicating they have been involved in instant
bombings.

There are still no other known racial extremist
groups in New Jersey which may be responsible for the bombings.
In the event the identity of additional groups - which may be
so involved - is ascertained, immediate investigation will be
instituted and informant coverage developed.

Logical informants and sources have been contacted
but no information has been developed concerning the identity
of individuals responsible for the bombings.

The following potential bombing suspects have been
added during November, 1958, to the list of those being in-
vestigated by this office:

Particular attention is being afforded to the above mentioned investigation concerning HENRY KINAST MANGER inasmuch as an anonymous letter postmarked Little Rock, Arkansas, was received by the Bureau to the effect that MANGER is the key financial man behind the bombings in the South. MANGER, who operates a funeral home in Irvington, New Jersey, has been previously reported to carry large sums of money on his person and to associate with hoodlums.

The names of two potential bombing suspects of this office were submitted to the Bureau on 11/19/58 for inclusion in the Single Fingerprint Explosives File:

This matter is being followed closely and any important developments will be promptly brought to the attention of the Bureau.

On August 26, 1958, [redacted] advised SA [redacted] [redacted] original source, Atlanta file [redacted] that one [redacted] had advised him that [redacted] who resides on the West Coast of the United States, was actively engaged in raising money on the West Coast which was to be utilized for the defense for [redacted] and others who were arrested by the Atlanta, Georgia, Police Department, for picketing activities of the Atlanta Journal, an Atlanta, Georgia daily newspaper. The picketing activities of [redacted] referred to occurred on July 27, 1958, and involved five individuals who were carrying signs bearing Anti-Jewish statements.

The Atlanta Office of the FBI on October 23, 1958, received an undressed letter in an envelope which letter was captioned "Atlanta Scandal". The contents of this paper purportedly were written by [redacted] and states as follows:

b6
b7C

"A very disturbing report has come to my desk. Five young patriots in the State of Georgia decided that they had their stomachs full of Jew-created, Jew-slanted news stories concerning what is going on in the world. Two of the worst newspapers in the United States are in the City of Atlanta. They do not reflect the Southern tradition. It is believed by many keen observers that both of these journals are manipulated by people who do not have the best interests of the South at heart.

"These five young men, representing a body of patriots, decided to picket these newspapers with signs protesting Jewish influence. They were picked up, railroaded, and sentenced to 30 days in jail. I have the names and addresses of the young men, but I am not going to give them to the public because I do not want them to be the victims of increased persecution. It is my understanding that they were released under bond and are appealing their cases. We propose to go into the matter thoroughly and if the situation is what it seems to be, we shall advise our friends to come to their aid, comfort and encouragement of these young men who have only been denied their civil liberties, but have become the victims of Jew-controlled tyranny.

AT 62-1673

"Atlanta is a bad city. It has many bad people in it. The politicians in that city are inclined to be the puppets of the secret Jewish machine. Do not judge the State of Georgia by what goes on in the City of Atlanta. The politicians of Atlanta have always fought the Talmadges and the people who have come to the defense of Southern tradition. Very frequently the Negro politicians of Atlanta are under the direct manipulation of New York Jews as well as Atlanta Jews.

On 11/28/52 he wrote to the Director, FBI claiming the "FBI" had falsely arrested him and he wanted his fingerprints removed from the files. [redacted] was interviewed at his residence [redacted] Sayreville, N.J. (also [redacted] [redacted] Old Bridge, N.J.) and he was satisfied the FBI had nothing to do with his arrest.

Where is the F.B.I? Where is the Un-American

This is a question every honest person should

EMERGENCY

YOU are in danger of ARREST right this minute - and YOU may be branded as a "SUBVERSIVE" in the next session of Congress. Your safety depends on how well you understand this EMERGENCY situation - and on how well you act to fight it. Please read this Report carefully and act on it today.

Wm Stephenson

November 1958

Dear Fellow Patriot:

This is an emergency communication to you. I implore you with all the persuasion at my command to read it at once and to read it carefully. For the sake of everything we hold dear I urge you to read this as carefully as if it were a personal letter sent to you via Air Mail.

A state of real emergency exists. And while I do not want to frighten you unnecessarily I must, in all fairness, warn you that you are in danger of arrest right this minute. After I outline the existing emergency I will explain just why you are in danger of arrest.

The emergency of which I speak has three main parts.

Part 1 - Atlanta, Georgia: As you no doubt know, a Jewish synagogue was "bombed" on Sunday, Oct. 12 in Atlanta, Ga. Probably you have read or heard that five men are being held in jail under charges of being implicated in some way in the "bombing." What you probably have not heard is that the police have not one shred of evidence connecting those five men with the "bombing." They were arrested on suspicion and suspicion only.

Why are they under suspicion? Because they read what the Atlanta police and the "Anti-Defamation League" call "anti-Semitic" literature - and because they have dared to speak out against the race-mixing plot and against Zionist intrigue.

In other words, they are guilty of trying to find out the truth - and of repeating that truth to others! Because of this "crime" they are being held in jail without bail and they will be tried for a crime they and their families insist they did not and could not have committed.

WARNING: Every person who receives this letter is just as "guilty" of reading "anti-Semitic" literature as are the five men being held in jail in Atlanta, Georgia. Probably most of you have also talked with others about things you've read in THE VIRGINIAN or other patriotic publications. That means that if a synagogue is "bombed" in your area YOU may be arrested on "suspicion" and charged with participating in the bombing!

If you think this is ridiculous, please read on. Mr. Lacy Jeffreys and I have just returned from a conference which we held with some of the relatives of the men being held in Atlanta. We have also conferred with attorneys interested in the case. The details are fantastic, frightening and unbelievable

I give you my solemn word that there is every indication that the Atlanta affair - if it succeeds - will be used to set a pattern, - and if this comes to pass not a patriot who knows even the smallest fact about the true nature of the dangers facing America will be safe. Every last one of us will be in danger of jail and trials - which will ruin us socially and financially even if we escape imprisonment on trumped up charges.

This is Part 1 of the emergency. I will return to it in a moment.

Part 2 - New Jersey: The Christian Education Association reports that the Post Office in Union, New Jersey has accepted issue No. 339 of the newspaper Common Sense but refuses to mail it out. This is clearly a violation of the rights of the publishers to use the mails.

The most informed observers say that this shocking, illegal act by the Post Office Department is the beginning of a campaign to bar all patriotic publications of any kind from the mails. (Many of you know that various efforts have been made in the past to get bills through Congress which would bar so-called "hate" publications from the mails. Such bills have always failed. Now the enemy is striking through executive order and the courts, just as they did in the segregation-integration matter.)

The Post Office's shocking act has to be fought. Common Sense has to hire lawyers and fight through the courts to get their rights - at their own expense.

And make a note of this: If Common Sense loses its fight and thus loses its right to use the mails, it will just be a matter of time until THE VIRGINIAN and all other patriotic publications are also barred from the mails. If they can kill one publication by keeping it out of the mails, they can kill any other publication the same way.

This is Part 2 of the emergency. More about it in a moment, also.

Part 3 - Washington, D. C.: The Nov. 6 issue of "Heritage," a Jewish weekly newspaper published in Los Angeles, California, reports as follows:

"Congressman Francis E. Walter, Chairman of the House Committee on Un-American Activities, in a letter to the Jewish War Veterans, said that if he is in Congress next session, the Committee will take 'appropriate action' in the matter of investigating the financing of hate sheets and hate-mongering groups."

You do not need to be told that virtually every patriotic publication in the nation has been smeared as a "hate sheet" by such professional smear groups as the "Anti-Defamation League," or that virtually every patriotic group in the nation has been smeared as a "hate-mongering group" by the same gang.

In other words, Congressman Walter - whom almost all of us have supported and backed - has just promised the Jewish War Veterans that he will do all that he can to ruin us.

And he isn't kidding! In the same letter to Sam Shalkewitz of St. Louis, National Commander of the Jewish War Veterans, Congressman Walter boasted that "the Post Office Department has moved as a result of my prodding."

Congressman Walter is boasting to the Jewish War Veterans that he is responsible for the Post Office Department depriving Common Sense of its rights.

There, then, is your 3-part emergency. Police terror and persecution in Atlanta, Georgia suppression of freedom of the press in New Jersey by the Post Office Department, and suppression of your freedom to read anything you want to read, at the same time a threat to brand every patriotic publication and organization in the United States as subversive - and make no mistake about this, either: If the patriotic publications and organizations can be branded as subversive their readers and members will also be branded as subversives.

This is one of the most desperate situations America has ever faced. Many, many observers believe that the enemy has taken over completely in Washington, D. C. - and that we are right now living under the Communist Revolutionary Government.

Once before this nation had to deal with a would-be tyrant. And as she gathered her strength to face him a noble, fearless Virginian hurled the challenge in his face. Do we not all remember how Patrick Henry, the Fearless Voice of Freedom, arose in St. John's church in Richmond, Virginia, and shouted these immortal words?

"Is life so dear or peace so sweet as to be purchased at the price of chains and slavery? Forbid it, Almighty God! I know not what course others may take - but as for me, give me liberty or give me death!"

These were the defiant words of a great Virginian spat into the face of a bullying king. They are the words we here at THE VIRGINIAN's headquarters shout in the face of the would-be tyrants of today.

We do not have the immortal Henry's genius. We have not been blessed with his God-given abilities. But by all that is holy and all that is dear to us, we do not lack his nerve, we do not lack his determination.

We, too, can say - and we do say, - Give us liberty or give us death! And we pledge this to you: We will fight as long as we can fight. We will not surrender nor give way before these 20th Century terrorists. If they do dare to so far trample under their dirty feet the Constitution of the United States as to take away our sacred God-given rights, they will do so at the embarrassment of chains and slavery. We will never surrender. If they conquer us, it will be by naked force, by illegal acts and by the tools of dictators - and these will return again and again to haunt them.

We ask only one thing - that you stand by our side.

Without your moral, physical and financial support, we cannot fight back.

Now among those who receive this frightening Report there will be some who will weaken, some who will feel fear, some who will want no part in the great climactic struggle which we are facing.

To those, I say this: God bless you for what you have done - and God help you in the future. If you cannot stand up for what you believe please cancel your subscription to THE VIRGINIAN and go your own way. In the perilous days ahead we do not want to be burdened down by dead weight. If you are ever going to fall back for fear of the consequences, please fall back now.

Now, a word to the rest of you - those who elect to stand with us and fight for Truth, Freedom and Justice.

There are several things you can do. First, look to the safety of yourself, your family and your friends. Take steps at once to protect yourself against the possibility of being hauled off to jail on "suspicion" if any "bombing" happens in your area. I suggest that you write - at once - to your police chief or sheriff and request that all Jewish synagogues in your area be put under 24-hour-per-day guard. Tell him that one was blown up in Atlanta - and that patriots were thrown into jail "on suspicion." Explain the ADL to him - and tell him that you are in danger of being smeared as a suspect, because you know the facts about the ADL, and the other dangers facing America. We have already taken this step here in Newport News and it was reported in the newspapers. We have shown by our request for police protection for the synagogues that if one is blown up it won't be us who did it.

We urge you to take similar action at once.

Another thing to do: Get to as many people as you can, at once, and tell them about this emergency situation. And don't tell just other patriots, either. If you can't reach people any other way, give a party this week and tell your guests. Read this Report aloud to them. Do whatever you have to do but get this information into immediate circulation. Tomorrow will be too late!

Something else: Write to Senator Herman Talmadge, Senate Office Building, Washington, D. C., and also to your own Senators, requesting them to pay close attention to the trial of the Atlanta Five. We feel that these men are innocent of the charges made against them. We feel as we do because we know facts which have not been made available to you at this time. These facts will come to you shortly. But in the meantime, write or wire Sen. Talmadge and your own Senators, requesting a fair trial for the Atlanta Five.

If Senator Talmadge and your own Senators can be shown that the eyes of informed patriots are on Atlanta, the five men will come a lot nearer to getting a fair trial than they appear to be at the moment.

Write, write, write!!! Start writing right now to your Congressmen and Senators to head off Congressman Walter's plan to brand you as a subversive - and also protest to your Congressmen and the Post Office Department the outrageous suppression of Common Sense. It does not matter whether you or I agree with every word Common Sense has ever printed or not. There is the principle of freedom of the press at stake here. If we don't save that principle, we are all lost.

And now, can you make a donation?

If the Atlanta Five are to get the fair trial to which all people are entitled they will have to have lawyers and funds for their defense. We are confident that they cannot be condemned because we are convinced they are innocent - but they must have funds with which to defend themselves.

But speed is essential. Please send your donation; at once, to "JUSTICE" P. O. Box 91, Sandy Springs, Georgia. The money you send will be used to pay the expenses of the Atlanta trials. And bear this in mind: Unless you help, the Atlanta Five will almost certainly not get a fair trial - because of lack of funds for defense.

As I write this appeal to you I am well aware that we have just appealed to you for funds for THE VIRGINIAN. Many of you have responded to that appeal in the true spirit of self-sacrificing patriotism. Truly I am sorry to have to ask you for funds again this month - but, remember, we are asking you to send whatever you can directly to Georgia, to help the Atlanta Five secure justice. They have no place to turn but to you. I have promised them, their families and their counsel that you would help.

Won't you, please? Send whatever you can and send it quickly. Cash, checks, money orders and Western Union money orders will all be welcome. The address is "JUSTICE," P. O. Box 91, Sandy Springs, Georgia.

As this appeal goes out to you we are hard at work on the next issue of THE VIRGINIAN, which will bring you the full, shocking story of the ATLANTA INQUISITION. When it reaches you I am sure you will be glad that you responded to this appeal. And on behalf of the Atlanta Five and their families, I thank you in advance for whatever you can do.

Note: During this very great emergency we are absolutely unable to write personal letters. We owe hundreds of letters. When we can we will answer them; in the meantime, please be patient. We are in the front lines right now and it is almost impossible for us to take care of our usual correspondence. We are doing the best we can.

Also, those of you who have been sending clippings and newspapers bearing on this struggle, thank you very much. And please continue to send them. This is especially directed to those good friends in Washington, New York, California and Atlanta who are keeping us supplied with papers and clippings. Many thanks to you all and we'll write when we can.

To 100 CLUB MEMBERS: CLUB Reports must be suspended during this emergency. We will resume them when we can. In the meantime, please be understanding of the very grave problems here and continue to make your usual monthly donations if you possibly can.

May God bless and protect you, fellow patriot, and we ask you to do whatever you can at this time, from prayer to financial support.

Sincerely yours,

William Stephenson, Editor

"COMMON SENSE" PUBLICATION

The Committee on Un-American Activities in a report issued on December 17, 1954, characterized "Common Sense", which is published by the Educational Association of Union, New Jersey, as a "hate group" vehicle, publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee." According to the report, "Common Sense" depicts Communism as "Judaism" and devotes its pages almost exclusively to attacks on the Jewish, and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi Regime in Germany is also injected into this propaganda.

Re Newark letter to Bureau 11/17/58.

Setting forth leads to ascertain identities of telephone subscribers called by CONDE MCGINLEY, Editor of "Common Sense", relet instructed that pertinent information should be set forth in report form. In leads to Mobile, three telephone numbers were listed. Two are of no apparent pertinency to the purpose of this investigation. The other telephone number as such has no listed subscriber, and is apparently erroneously set forth, however, accompanying information concerning that call indicates the probable identity of the person to whom the call was made, and that call is of some possible pertinency. However, the only presently available information showing the probable identity of the person called is from a confidential investigative technique, and should not be set forth in a disseminable report. Accordingly, the results of investigation in this case at Mobile are all being set forth by letter.

[redacted] Montgomery, Ala., advised on 12/3 and 12/4/58 that Wetumpka, Ala. Number 2311 is listed to the Wetumpka Herald and Wetumpka Printing Co., publishers of a weekly newspaper at Wetumpka, Ala. Wetumpka, Ala. Number 7356 has no subscriber and has not had during the past year, according to [redacted] Amherst 2-5251, Montgomery, Ala., is listed to the Jefferson Davis Hotel, a large hotel in downtown Montgomery, Ala.

Pertaining to the number Wetumpka, Ala. 7356, and the person called, set forth as [redacted] Wetumpka Bank Building, the following is set forth:

Wetumpka, Ala., to interview [] concerning the whereabouts of Admiral JOHN CROMMELIN (USN, Retired), publicly known racist and anti-Semite. A colored farm hand working on CROMMELIN's property at Harrogate Springs had advised that [] would know the whereabouts of CROMMELIN. No one was at home. Observed on the front porch of [] house was a large sign which read "Elmore County White Citizens' Council - Headquarters". This sign was lying down on the porch, not posted there. In the side yard near [] house was a wooden box, approximately 16" long, 12" deep, and 12" wide. On the box was a label of the kind used for mailing which showed that this box had been sent by Railway Express to [] c/o JOHN G. CROMMELIN, Old Bank Building, Wetumpka, Alabama".

b6
b7C

From the foregoing, it appears probable that the person called in those calls on 4/9 and 10/58 was []. No telephone is listed in his name. [] who has furnished reliable information in the past) advised on 12/5/58 that he has heard from members of the U. S. Klans, Knights of the Ku Klux Klan, Inc., Realm of Alabama, at Montgomery, Ala. that JOHN CROMMELIN circulates "Common Sense" in the central Alabama area. This probably accounts for any communication between CROMMELIN or [] and MCGINLEY.

According to her, GREGG refused to fill out a roster card in connection with Civil Defense work.

Concerning GREGG's background, Chicago files show that in 1944 Immigration and Naturalization Service file 730/132294 identified GREGG's date and place of birth as October 28, 1891, at Letterkenny, Ireland. According to the article, Mrs. GREGG was interviewed by the reporter and she advised she was not a personal friend of Mrs. DILLING but that she knew her and had attended meetings at which Mrs. DILLING spoke. The article further stated that Mrs. GREGG advised she "formerly was a distributor in this territory for the magazine 'Social Justice' [redacted] which ceased publication in 1942 after it was barred from the mails by Attorney General BIDDLE on the grounds it was seditious."

"Common Sense" is a bi-monthly paper edited by CONDE MC GINLEY and published by the Christian Educational Association of Union, New Jersey (CEA). This paper is anti-Semitic and anti-integration.

BACKGROUND

The voters registration records for the municipality of St. Clair Shores, Michigan, were checked in September, 1942, and they showed that ROBERTS was a registered voter. He listed his birth as August 23, 1900, in Fargo, Michigan. His parents were listed as AMASA and ETHYL ROBERTS and his wife as PAULA E. ROBERTS, who was born November 26, 1904, in Deposit, Pennsylvania.

[redacted] reported in September, 1942, that ROBERTS had stated that he attended Carnegie Institute of Technology for one year and took a three year course in mechanical engineering from the International Correspondence School, dates not indicated. [redacted] also reported that ROBERTS indicated that he was employed from 1938 to 1941 on a part-time basis by the Fisher Body Corporation. His Social Security number was listed as 368-12-2333. According to this Informant, ROBERTS indicated that he was then the owner and operator of the Sterling Engineering Company.

ACTIVITIES

[redacted] reported on March 18, 1943, that RUSSELL ROBERTS, then residing in St. Clair Shores, Michigan, and the owner and operator of the Sterling Engineering Company, was a National Committee man of the National Workers League (NWL) in Detroit. [redacted] described the NWL as anti-Jewish, anti-Negro, anti-Communist, anti-Roosevelt, pro-isolationist and possibly pro-Nazi. [redacted] also reported at this time that an agent for the Dies Committee on January 19, 1942, had stated that the NWL had functioned as a "clearing house for axis propaganda".

On September 23, 1943, [redacted] [redacted] Carlton, Michigan, was interviewed at the Detroit Office by SA [redacted] [redacted] stated that he worked for RUSSELL ROBERTS, [redacted] in 1938. He said that during the time he was employed for RUSSELL ROBERTS, he noted the latter was viciously anti-Semitic and was also having a great deal of anti-Semitic literature delivered at his place of business.

b6
b7C

On July 29, 1951, Patrolman [redacted] Warren Township, Michigan, Police Department, advised that anti-Semitic leaflets were dropped by an unidentified aircraft in Warren Township, Macomb County, Michigan, on this date. [redacted] Graphic Arts Service, 1345 Broadway, Detroit, Michigan, advised on December 3, 1951, that in June, 1951, he printed a large number of leaflets for RUSSELL ROBERTS from a plate furnished by ROBERTS. He stated that the above leaflets were the same type as the ones distributed from the unidentified aircraft. [redacted] stated that shortly after delivering the first batch of leaflets to ROBERTS, [redacted] refused to print any additional leaflets and returned the plate to ROBERTS.

b6
b7c

On October 7, 1952, Chief of Police JOSEPH DeVRIENDT, Farmington, Michigan, advised that RUSSELL ROBERTS, residing at 24311 Halstead, Farmington, had rented Post Office Box 412, Farmington, under the name of the National Information Service. Chief DeVRIENDT said that ROBERTS had recently sent him a complimentary copy of a pamphlet entitled "Does the Police Protect Us?", published by the Williams Publishing Company, Box 868, Santa Ana, California. Chief DeVRIENDT said that he believed this pamphlet to be anti-Semitic and highly inflammatory.

On August 20, 1953, [redacted] Anti-Defamation League, B'nai B'rith, contacted the Detroit Office of the FBI to report that RUSSELL ROBERTS had been passing anti-Semitic literature. [redacted] said this literature was sent out under the name of the National Information Service, Post Office Box 412, Farmington, Michigan. [redacted] also commented that it was his belief that the literature distributed by ROBERTS was Communist inspired.

ARREST RECORD

"The Detroit Free Press", a daily newspaper published in Detroit, on March 13, 1947, carried an article captioned "Manufacturer Convicted of Indecent Act". This article stated that RUSSELL M. ROBERTS, 45, 21700 Beaconsfield, St. Clair Shores, alleged financial backer of the allegedly pro-Nazi National Workers League, was convicted on an Indecent Exposure Charge in Recorder's Court.

DE 62-2855

This article also states that in testimony in this case it was brought out that ROBERTS is "mentioned frequently in [redacted] story of subversive activities, 'Undercover'".

Re New York letter of 8-13-58 and Newark of 11-12-58
to the Bureau.

Regarding the individuals in this territory who were listed in reference New York letter of 8-13-58, who had been sent a special letter by CORDE MCGINLEY requesting their aid in making his newspaper a weekly to fight integration, it is noted that they are identified therein as generally having been connected with some citizens council in this area. Many of these people have been publicly connected with citizens councils and similar pro-segregation type activities. There is, however, in the files of the Memphis Office no information which would tend to connect them with bombings in any way.

Regarding the individuals in this territory who are listed in reference Newark letter of 11-12-58, the following is set out:

The indices of this office contain no reference to

[redacted] Nashville, Tennessee. The only reference to [redacted] Nashville, is to New York teletype of 9-13-57 in which the information from [redacted] was originally set out. Other than this there is no reference to [redacted]

Reference is also made to Memphis letter of 11-5-58 to Newark and the reply from Newark dated 11-14-58. As pointed out in Memphis letter, the publication "Common Sense" has frequently

come to the attention of this office by various citizens who have received it and objected to its contents. So far as is known, however, distribution of the publication in this area has been spasmodic and irregular. Informants and sources who are in a position to furnish information regarding racial matters of this type are being regularly questioned regarding "Common Sense" and none of them has been able to furnish information regarding the distributors of the publication in this area.

In view of the possibility that the above mentioned [redacted] have in the past distributed multiple copies of this publication, separate investigations are being initiated on them to determine whether or not they have any present connection with "Common Sense" or with any other matter pertinent to this investigation.

Captioned investigation is being considered RUC, although in the event any information is obtained in connection with any other investigation regarding Common Sense it will be furnished to the Newark Office. RUC.

He indicated that MC GINLEY's principal contacts who have handled many thousands of pieces of literature in the past, as well as handling distribution of "Common Sense" are:

NY 105-6188

This source explained that a regular issue of "Common Sense" consists of 50,000 copies, some of which are sent to individual subscribers, and the balance mailed in bulk to the above named distributors, as well as other similar distributors throughout the US. He said that a "hot" issue will have several reprintings and, at times, a single issue might have as many as a quarter of a million copies printed, as was the case of a recent issue, #305. This source stated that in addition to income received from subscribers and distributors, as mentioned above, MC GINLEY receives money both from established sources and anonymous donors. He added that in the past, many wealthy individuals throughout the US have, from time to time, given many thousands of dollars to MC GINLEY to continue his operation. OTHER ACTIVITY [redacted]

[redacted] furnished the following information on December 10, 1957:

There is no indication that any of the employees of CEA had any connection with the bombings or attempted bombings in the southern states.

CONDE MC GINLEY has two known bank accounts where he deposits his contributions. One is in Sherman, Texas, and the other is in [redacted] New Jersey. [redacted] who desire "Common Sense" [redacted] its [redacted] to CONDE MC GINLEY for [redacted] or [redacted] the [redacted] through [redacted]

his various contacts throughout the country. / CONDE MC GINLEY's principal contacts who have handled many thousands of pieces of literature in the past as well as handling the distribution of "Common Sense", are:

b6
b7C

The regular issue of "Common Sense" consists of 50,000 copies, some of which are sent to individual subscribers and the balance mailed in bulk to the above named distributors, as well as other similar distributors throughout the U. S. A "hot" issue will have several reprintings and at times a single issue might have as many as a quarter of a million copies printed, as was the case of a recent issue, #305.

In addition to the money received from subscribers and distributors, CONDE MC GINLEY receives money, both from established sources and anonymous donors. In the past, many wealthy individuals throughout the U. S. have, from time to time, given many thousands of dollars to CONDE

NK 105-1910

MC GINLEY to continue his operation. Two of the largest contributors in recent years have been [redacted] of Sherman, Texas, and [redacted] of Kenosha, Wisconsin. [redacted] both of New York City, have frequently donated large sums of money to CONDE MC GINLEY.

b6

CONDE MC GINLEY also receives orders from various persons and organizations throughout the country to print various types of literature, from which he receives either a profit on the printing or a contribution for doing this work. MC GINLEY also has connections with various groups, such as the anti-fluoridation groups throughout the U. S., and has received financial aid whenever he publishes a story in behalf of their cause.

In addition to the above, CONDE MC GINLEY has received financial aid from trustees of CEA, two of whom are Admiral CROMMELIN of Wetumpka, Alabama, and [redacted] of Iowa.

It is uncertain as to who writes articles for "Common Sense" for CONDE MC GINLEY. CONDE MC GINLEY receives articles from people all over the country and also has a large library of manuscripts from which he takes information to place in the paper. People who have done research work and contributed material to MC GINLEY in the past are [redacted] of Staunton, Virginia, and [redacted] of Long Island City, New York.

CONDE MC GINLEY left Long Island, New Jersey, about December 1, 1954, and as of December 11, 1954, was still away on a trip throughout the U. S. He allegedly has visited his lawyer in Washington; Admiral CROMMELIN of Wetumpka, Alabama; [redacted] of Sherman, Texas, and friends in Florida, Oklahoma and [redacted] who was reported to have visited [redacted] of "The Virginian" in Norfolk, Virginia.

"COMMON SENSE"

The Committee on Un-American Activities in a report issued on December 17, 1954, characterized "Common Sense", which is published by the Education Association of Union, New Jersey, as a "hate group" vehicle, publishing "some of the most virulent hate propaganda ever to come to the attention of the Committee". According to the report, "Common Sense" depicts Communism as "Judaism" and devotes its pages almost exclusively to attacks on the Jewish, and, to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi regime in Germany is also injected into this propaganda.

The Union County expression cites the publication as "inflammatory, scandalous and libelous, containing many baseless charges against various religious and ethnic groups." It "incites religious and racial hatred and promotes intergroup conflict," according to the Assembly group.

The resolution also points out that prominent civic and fraternal groups, such as the American Legion and the Knights of Columbus, and religious leaders have denounced it.

The Assembly unit asks that all law enforcement officers in the state "take all legal measures to insure full and absolute compliance by 'Common Sense' and its affiliates with every law of the state which is properly applicable."

It also calls on Gov. Robert H. Meyne "to do everything in his power to insure that the false information disseminated in 'Common Sense' are exposed as such."

The Assembly members urge the U. S. attorney general and master general to follow a stringent policy in dealing with the periodical.

APPENDIX

DOCUMENTATION OF ORGANIZATIONS

CHRISTIAN EDUCATIONAL ASSOCIATION OF UNION, NEW JERSEY

Under date of December 17, 1954, the Committee on Un-American Activities of the U.S. House of Representatives published a "preliminary report on Neo-Fascist and Hate groups" in which the growth, objectives and the editor of "Common Sense" are discussed at length. The report indicates the publication has a fluctuating circulation of between 30,000 and 100,000 copies.

In the HCUA report, "Common Sense" is described as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee." According to the report, "Common Sense" depicts Communism as "Judaism" and devotes its pages almost exclusively to attacks on the Jewish, and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi Regime in Germany is also injected into this propaganda.

HEREIN IS UNCLASSIFIED
DATE 5/21/00 BY SP2AMK/ly[REDACTED] was interviewed at Huntington, W. Va.,
on January 14, 1959, by SAS [REDACTED] and
[REDACTED]

He advised that the publication, "Common Sense," has been sent to him for the past three or four years but that he has never subscribed to this publication or requested that it be sent to him. He stated that after receiving a few copies he wrote to CONDE MC GINLEY inquiring why his name was on MC GINLEY's mailing list and requesting the identity of the person who had suggested his name and who was paying for his subscription. He said that he received an answer from MC GINLEY advising him that this information could not be disclosed and that thereafter "Common Sense" continued to be sent to him.

At this point, [REDACTED] called [REDACTED] and she recalled this correspondence. After checking her files she advised that she could not locate copies of these letters.

[REDACTED] was of the opinion that he knows the identity of the person who furnished his name to MC GINLEY but he declined to furnish the name of this person on the basis that he had no definite proof. He stated that he has never met MC GINLEY personally, has never contributed funds to him or his organization, and is not in any way sympathetic with the views expressed in "Common Sense."

[REDACTED] stated that he has never received more than one copy of "Common Sense" at a time and that to the best of his recollection, he receives a copy about once a month. He said that he has shown this publication to his family and possibly a few close friends but would have no reason to be in possession of more than one copy of the paper since he is in complete disagreement with MC GINLEY and his views.

He was of the opinion that he is a "natural target" for MC GINLEY's attention because of his background. He stated that he majored in Sociology and Economics at Marietta College, Marietta, Ohio, and has been active in the YMCA since 1923 having been at one time a member of the National Council of the YMCA; that he has also been active in local politics for several years and has been criticized for his outspoken views in political matters. He said that he is very interested in political ideas and ideologies from an academic viewpoint but is not and has never been sympathetic toward MC GINLEY, his organization, or his ideas.

This source stated that there is no indication that any of the employees of this organization had any connection with the bombings, or attempted bombings, in the southern states.

He stated that people who desire "Common Sense" or other literature write directly to CONDE MC GINLEY for subscriptions or order literature through his various contacts throughout the country. He indicated that MC GLINLEY's principal contacts who have handled many thousands of pieces of literature in the past, as well as handling distribution of "Common Sense" are:

b6
b7c

This source explained that a regular issue of "Common Sense" consists of 50,000 copies, some of which are sent to individual subscribers, and the balance mailed in bulk to the

above named distributors, as well as other similar distributors throughout the United States. He said that a "hot" issue will have several reprintings and, at times, a single issue might have as many as a quarter of a million copies printed, as was the case of a recent issue, #305. This source stated that in addition to income received from subscribers and distributors, as mentioned above, MC GINLEY receives money both from established sources and anonymous donors. He added that in the past, many wealthy individuals throughout the United States have, from time to time, given many thousands of dollars to MC GINLEY to continue his operation. He stated that two of the largest in recent years have been [redacted] of Sherman, Texas, and [redacted] of Kenosha, Wisconsin. He added that [redacted] both of New York City, have frequently donated large sums of money to MC GINLEY.

b6
b7c

He added that MC GINLEY also receives orders from various persons and organizations throughout the country to print various types of literature, for which he receives either a profit on the printing or a contribution for doing this work. He advised that MC GINLEY also has connections with various groups, such as the Anti-Fluoridation groups throughout the United States and received financial aid from them whenever he publishes a story in behalf of their cause. This source also added that in addition to the above, MC GINLEY has received financial aid from trustees of the Christian Educational Association, two of whom are Admiral CROMMELIN of Wetumpka, Alabama, and [redacted] of Iowa.

This source stated that it is uncertain as to who writes articles for "Common Sense" besides CONDE MC GINLEY. He said that MC GINLEY receives articles from people all over the country, and also has a great library of manuscripts from which he takes information to place in the paper. He stated that two people who have done research work and contributed articles to MC GINLEY in the past are [redacted] of Staunton, Virginia, and [redacted] Long Island City, New York.

In regard to the leaflet concerning "Christ's Crusaders", furnished by Newark letter, dated 12/3/58, this source stated that this is an article which was written several years ago by [redacted] when he was working in Chicago, Illinois, and which was printed by MC GINLEY and distributed by him. This source said that so far as he knows, this article is not being currently distributed by MC GINLEY, and that there is no such organization as "Christ's Crusaders", but this is merely one of

the many hoaxes which [] has written in connection with his anti-Jewish activities.

b6
b7C

This source also stated that CONDE MC GINLEY left Union, New Jersey, about 12/1/53, and is still away on a trip throughout the United States. He allegedly has visited his lawyer in Washington, Admiral CROMMELIN in Wetumpka, Alabama, [] in Sherman, Texas, and friends in Florida, Oklahoma, and Chicago. MC GINLEY also is reported to have visited WILLIAM STEPHENSON, publisher of "The Virginian" in Norfolk, Virginia. This source stated that MC GINLEY recently obtained a duplicating machine from [] in payment of a debt which was owed to him. This source added that it appears that this duplicating machine may have been bought for [] by [] of Baltimore, who has received nation-wide publicity in connection with his support of the National States Rights Party, and allegedly stated that he would sue [] for the return of a duplicating machine. The duplicating machine which [] furnished to MC GINLEY is a Model 112 A. B. Dick, manufactured by Meeker. This source also added that a [] of the Sheriff's Office in Elizabeth, New Jersey, is a long time friend of MC GINLEY's and frequently furnishes him information and keeps him posted about current situations in the Police Department and other official establishments.

CONDE MC GINLEY is the editor and publisher of "Common Sense", a bi-monthly newspaper.

CEA headquarters are at 530 Chestnut Street, Union, New Jersey.

Under date of December 17, 1954, the Committee on Un-American Activities of the U.S. House of Representatives published a "preliminary report on Neo-Fascist and Hate groups" in which the growth, objectives and the editor of "Common Sense" are discussed at length. The report indicates the publication has a fluctuating circulation of between 30,000 and 100,000 copies.

In the HCUA report, "Common Sense" is described as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee." According to the report, "Common Sense" depicts Communism as "Judaism" and

NK 105-1210

devotes its pages almost exclusively to attacks on the Jewish, and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi Regime in Germany is also injected into this propaganda.

DETAILS:

PREDICATION

This investigation is predicated upon the following anonymous letter postmarked October 24, 1958, at Little Rock, Arkansas, addressed to J. EDGAR HOOVER, Director, Federal Bureau of Investigation, Washington, D.C.

"Dear Sir:

"The hate complex which prevails throughout the U.S. today causing bomb scares in our schools, churches and synagogues; and which actually caused the bombing of synagogues in Atlanta and Peoria and Clinton High School in Tennessee; and attempted bombings of other churches and schools is deplorable.

"I am not in a position to reveal my true identity, however, I believe the following information very helpful in connection with the synagogue bombing in Atlanta:

"The 'Order of the White Camelia' is a lot of bunk. There is no such organization in power having to do with the bombings. However, the five suspects in police custody in the Atlanta case are the go between and finger men between the north and south anti-semetic situation

"Plans were, if successful in Atlanta, to proceed and cause synagogues to be bombed in Tuscaloosa, Memphis, Birmingham, Chattanooga, Dallas, Houston and finally Little Rock. Bombings to take place at six to eight month intervals.

"The key financial man in the east is Henry Manger of Irvington, N.J., a leader in the now defunct German-American Bund.

"If successful in each of the aforementioned cases synagogue bombings were to take place in the metropolitan N.Y. area. The next bombing after Atlanta was to take place in a Jewish synagogue on Clinton Street or Avenue in Newark.

"I have authoritative information that Manger helped finance the Atlanta bombing and is a definite

"link between north and south sects of this small but deadly movement. Dynamite sticks are stowed in the South Orange, N.J. reservation. Dynamite was furnished by the eastern or northern sect for the Atlanta bombing.

"I don't know Manger personally but he is considered dangerous in many respects besides being a jew hater. He is also responsible for several beatings in his immediate area.

"The letter is not written at the hands of a crank or demented person.

[REDACTED]

"You will hear from me again."

FBI Laboratory examination of the anonymous communication in this matter reflects that the typewriting appearing thereon resembles the standard for Royal elite style of type spaced twelve letters per inch. This typewriting was compared with the appropriate sections of the Anonymous Letter file without effecting an identification.

The watermark "Esleeck Clearcopy Onion Skin, Made in USA" was found on the anonymous communication. This watermark is used by the Esleeck Manufacturing Company, Canal, Turners Falls 2, Massachusetts. No watermark was found on the envelope in which the anonymous letter was mailed.

side of the street at his funeral home a "no parking" area. [] stated that MANGER thereupon spent thousands of dollars sending out letters or leaflets to many Irvington citizens complaining of this treatment.

b6
b7C

Chief FRANK DREYER (NA), Essex County Sheriff's office, Newark, New Jersey, was advised on December 31, 1958, of information contained in anonymous letter concerning bombing of Jewish synagogue on Clinton Avenue in Newark. Chief DREYER advised that he is not acquainted with HENRY MANGER but knows several people who know MANGER quite well. He discreetly contacted some of his informants and was told that MANGER's real name was HENRY KINAST. According to information received by Chief DREYER, JOSEPH MANGER, HENRY MANGER's stepfather, had married Mrs. KINAST several years ago when HENRY KINAST was a youngster. HENRY KINAST then adopted the name HENRY KINAST MANGER. According to Chief DREYER's informants, during HITLER's rise to power, HENRY MANGER was a strong German advocate. MANGER reportedly is an alcoholic who delights in spending large amounts of money on his many lady friends.

Chief DREYER stated that he knows of no arrest record of MANGER. DREYER was advised by an informant that MANGER had recently "imported" a man by the name of EUGENE CULKIN from South Carolina to manage his Nutley funeral home.

DREYER advised that FRANK F. D'ARCY died in April, 1958. He said that [] East Orange, New Jersey, was associated with D'ARCY in the Alcoholics Anonymous and would be in possession of any information that D'ARCY had concerning MANGER. DREYER stated that [] could be contacted in confidence.

[] Manager, Credit Bureau of Greater Newark, Inc., 24 Branford Place, Newark, New Jersey, advised on January 2, 1959, that an inquiry by Kresge, January 27, 1956, reflects that EUGENE J. CULKIN, 1200 Clinton Avenue, Irvington, and 33 Brighton Avenue, Belleville, was employed as a mortician at that time.

NK 62-2569

Sergeant [] Irvington Police Department, advised that he has no record on EUGENE CULKIN.

[] Nutley, New Jersey Police Department, advised that his department had no record on CULKIN.

[] State Board of Mortuary Science, 410 Main Street, Orange, New Jersey, advised on January 2, 1959, that EUGENE J. CULKIN is presently employed as manager of the Henry Manger Funeral Home in Nutley, New Jersey. He made available CULKIN's file which reflects he has been employed by MANGER since 1941.
